WHEREAS, the District has a substantial interest in enforcing parking violations occurring in transit-only traffic lanes to ensure efficient and on-time performance of its buses;

WHEREAS, the District will contract with the Alameda County Sheriff's Department to review video image recordings for the purpose of determining whether a parking violation occurred in a transit-only traffic lane; and

WHEREAS, Ordinance No. 18 was introduced at a regular meeting of the Board of Directors on June 10, 2020.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE ALAMEDA-CONTRA COSTA TRANSIT DISTRICT DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. STATEMENT OF PURPOSE

The District Board of Directors finds that there is a need to enforce parking violations in transit-only lanes and that enacting civil penalties as authorized by California Vehicle Code Section 40240 subdivision (c) will deter the public from parking in transit-only lanes, allowing for efficient and on-time performance.

Section 2. DEFINITIONS

- (a) **Transit-only traffic lane** means any designated transit-only lane on which use is restricted to mass transit vehicles, during posted times.

- (b) **Law Enforcement Agency** means the contracted law enforcement agency reviewing the video image recordings for the purpose of determining whether a parking violation occurred and issuing the parking violation citation.
- (c) **Processing Agency** means the third-party vendor retained by the Law Enforcement Agency to process notices of parking violations and notices of delinquent violations.

Section 3. PARKING VIOLATION

- 3.1 Warning Notices and Public Outreach.** Prior to issuing notices of parking violations pursuant to subdivision (a) of Section 40241, the District shall issue warning notices for 30 days. The District shall also make a public announcement of the program at least 30 days prior to commencement of issuing notices of parking violations.
- 3.2 Violation.** It shall be a violation of this ordinance, pursuant to Section 40240, to park in a transit-only traffic lane. The Law Enforcement Agency shall review video image recordings for the purpose of determining whether a parking violation occurred in a transit-only traffic lane. A violation of this ordinance observed by the Law Enforcement Agency in the recordings is subject to a civil penalty.

Section 4. ENFORCEMENT

- 4.1 Citation.** Pursuant to subdivision (a) of Section 40241, the Processing Agency shall issue a notice of parking violation to the registered owner of a vehicle within 15 calendar days of the date of the violation. The registered owner shall be permitted to review the video image evidence of the alleged violation during normal business hours at no cost.
- 4.2 Notice of Violation.** The notice of parking violation shall set forth the violation of a statute, regulation, or ordinance governing vehicle parking under this ordinance, a statement indicating that payment is required within 21 calendar days from the date of citation issuance, and the procedure for the registered owner, lessee, or rentee to deposit the parking penalty or contest the citation pursuant to 40215 of the California Vehicle Code. The notice of violation shall also set forth the date, time, and location of the violation, the vehicle license number, registration expiration date, if visible, the color of the vehicle, and, if possible, the make of the vehicle. The District shall send information regarding the process for requesting review of the video image evidence along with the notice of parking violation.
- 4.3 Service of Notice.** The notice of parking violation shall be served by depositing the notice in the United States mail to the registered owner's last known address listed with the Department of Motor Vehicles.
- 4.4 Civil Penalty for Violation.** Any citation issued for a violation of this ordinance is subject to a fine amount of \$110. If the registered owner, by appearance or by mail, makes payment to the Processing Agency or contests the violation within either 21 calendar

days from the date of mailing of the citation, or 14 calendar days after the mailing of the notice of delinquent parking citation, the parking penalty shall consist solely of the amount of the original penalty.

- 4.5 Cancellation of Notice of Parking Violation.** If, within 21 days after the notice of parking violation is issued, the District determines that, in the interest of justice, the notice of parking violation should be canceled, the District shall cancel the notice of parking violation pursuant to subdivision (a) of Section 40215 of the California Vehicle Code. The reason for the cancellation shall be set forth in writing.
- 4.6 Appeal.** Following an initial review by the District, and an administrative hearing, pursuant to Section 40215, a contestant may seek court review by filing an appeal pursuant to Section 40230 of the California Vehicle Code.

Section 5. RETENTION AND USE OF VIDEO IMAGES

- 5.1** Except as it may be included in court records described in Section 68152 of the Government Code, or as provided in 5.2, the video image evidence may be retained for up to six months from the date the information was first obtained, or 60 days after final disposition of the citation, whichever date is later, after which time the information shall be destroyed.
- 5.2** Notwithstanding Section 26202.6 of the Government Code, video image evidence that does not contain evidence of a parking violation shall be destroyed within 15 days after the information was first obtained.
- 5.3** Video image records maintained pursuant to this ordinance are confidential and shall be used and accessed only for the purposes authorized by this ordinance.

Section 6. REPORTING

The District shall provide to the transportation, privacy, and judiciary committees of the Legislature an evaluation report of the forward facing camera parking enforcement system's effectiveness, impact on privacy, cost to implement, and generation of revenue, no later than January 1, 2021.

Section 7. EFFECTIVE DATE.

This ordinance shall become effective thirty (30) days after its adoption and shall be published once a week for two consecutive weeks following its passage in a newspaper of general circulation within the District. This ordinance is effective until January 1, 2022, or until the designated expiration date set forth in Section 40240.
